Description:

Make the Best of Class Time with Cornell Notes. The Smartly Bound Cornell Notes Notebook is designed around the Cornell method of note-

taking to help you maximize your time by better organizing your note-taking and helping you become a more effective learner in any subject. From traditional lectures to PowerPoint presentations, Conferences, trade shows, brainstorming and reading sessions. Increase your comprehension and retention of important information to maximize your recall of information presented. Our thoughtfully designed notebook is 250 pages of college-ruled, Cornell-style note-taking pages. The top of the page is for your name, date, title, and topic should you ever need to remove a page from your notebook. Below the title, your page is divided into classic Cornell styled-notes. The left third is an unlined column for the headings and main ideas while the right two-thirds is a lined area for your notes of the presentation or lecture—any topic, really. Below the split note-taking area is a focus space for the “Essential Question” of the topic to be considered. Followed by a summary area at the bottom of the page. The left third of the bottom is for writing new vocabulary words and the right two-thirds is for your topic summary. The notebook is 250 pages total with the Cornell Notes technique summarized briefly at the front.
